- Application Platform: All applicants must submit the admission application online through the Chancellor Portal only (<https://universities.jharkhand.gov.in/>). Candidates are expected to fill out the correct information.
- **Cost of Application form** for all category candidates is **Rs. 400/-**.
- If a candidate wishes to apply for more than one course, a separate application form must be submitted for each course.
- Admission to different courses shall be based on a merit list prepared from the marks obtained in the Intermediate (for UG admission) and the Graduation level (for PG admission), along with Interview marks. In the case of a tie in aggregate marks, merit will be determined based on the date of birth—the older candidate will be ranked higher.
- Admission shall be considered final only when the student meets all eligibility criteria.
- All students will be admitted provisionally until their registration is completed. If a student fails to submit the required documents by the specified date or does not meet the stipulated requirements, his/her admission shall be deemed to be automatically cancelled. Admission may also be cancelled at any point during the course if it is discovered that the student provided false or misleading information at the time of admission.
- Applications after the **last date** will generally not be entertained unless, under **exceptional circumstances**, where **vacant seats** are available in any course.
- Ensure that the information entered in the Chancellor Portal is accurate and complete before submission.
- Incomplete, incorrect, or multiple submissions may lead to the rejection of the application.
- Candidates should regularly check the official JRSU website (www.jrsu.ac.in) and the Chancellor Portal for updates on admission notifications, deadlines, and further instructions.
